The FCA's aim is to help firms put the interests of their customers and the integrity of the market at the core of what they do. <http://www.fca.org.uk>

AKG Financial Strength Rating AKG is an actuarially based consultancy specialising in the provision of ratings, information and market assistance to the financial services industry. The objective is to provide a simple broad-brush indication of the general financial strength of a company. Reviewable Premiums Reviews will be carried out when the policy is renewed to determine whether the premium will change. This is to establish if the premium is enough to provide the level of cover selected. If your premium increases you can accept the increased premium or keep your premium the same but reduce your level of cover.

Entry Age The ages at which the policy can be applied for.

Commission The arranger is paid by the product provider. Premiums fund the commission.

Pre-Existing Condition Any Pre-Existing Condition not declared and accepted by Insurers which has occurred within the preceding 36 months, reverting to life-time Pre-Existing Conditions Exclusion if Proposal/Medical Form is not received within 45 days of inception. Upon receipt of the Proposal/Medical Form the Pre-Existing Condition clause is removed and replaced with any specific exclusions required by Insurers as a result of the medical underwriting.

36-Month Pre-Existing Condition Physical impairment, defect, degenerative process or infirmity of the Insured Person existing at any time during the 36 months prior to the Policy inception date. For the purpose of this definition a physical impairment, defect, degenerative process or infirmity exists at any time during the 36 months prior to the Policy inception date if it has been diagnosed by a Health Care Practitioner prior to the Policy inception date, or in the event that it has not been so diagnosed then in the opinion of a Health Care Practitioner the Insured Person could reasonably have been expected to be aware of its existence on the Policy inception date.

Lifetime Pre-Existing Condition Physical impairment, defect, degenerative process or infirmity of the Insured Person existing prior to the Policy inception date. For the purpose of this definition a physical impairment, defect, degenerative process or infirmity exists prior to the Policy inception date if it has been diagnosed by a Health Care Practitioner prior to the Policy inception date, or in the event that it has not been so diagnosed then in the opinion of a Health Care Practitioner the Insured Person could reasonably have been expected to be aware of its existence on the Policy inception date.

Elimination Period A term used in insurance to refer to the time period between an injury and the receipt of benefit payments. In other words, it is the length of time between the beginning of an injury or illness and receiving benefit payments from an insurer.

Rehabilitation Clause If following a claim in respect of Temporary Total Disablement the Insured Person participates in ten (10) or less Regular Season and/or Cup and/or Play-off and/or Championship Matches, or any combination thereof, (or professional matches or events with respect to other sportsmen), and whilst the Policy remains in force, has a reoccurrence of the Accidental Bodily Injury or Sickness medically determined by a Health Care Practitioner to be the same as the prior claim, the Excess Period is waived in respect of further claims.

In the event of the reoccurrence of the Accidental Bodily Injury or Sickness or medically determined by a Health Care Practitioner to be the same as the prior claim after the Insured Person has participated in more than ten (10) Regular Season and/or Cup and/or Play-off and/or Championship Matches, or any combination thereof, (or professional matches or events with respect to other sportsmen), whilst the Policy remains in force, a new Excess Period will apply in respect of the new Temporary Total Disablement claim period.

Proportionate Payment of Benefit the amount of any Benefit payable under this Policy in respect of the consequences of the Accidental Bodily Injury or Sickness shall be reduced by the amount which it is reasonably considered would have been the effect of the prior physical disability or condition of the Insured Person in the cause of the claim.

Policy Exclusions – Degenerative Condition osteoarthritis, arthritis or any other degenerative process of the joints, bones, muscles, tendons or ligaments.

CAREER ENDING INSURANCE FOR PROFESSIONAL RUGBY PLAYERS

24-Hour Worldwide Cover

Full 24-hour cover is provided worldwide.

International Duty Cover

Full cover is provided whilst on International duty.

24-Month Claim Notification Period

We offer a 24-month claim notification period which means a player can be declared Permanently Totally Disabled (Career Ended) at any stage within 24 months of the original Accident or Sickness.

No Rehabilitation Clause

Some policies include a Rehabilitation Clause which allows a player an agreed number of games following an Accident or Sickness in order to rehabilitate. Once a player has completed these games a claim cannot be made.

These types of policies do not benefit the player.

Permanent Total Disablement Prior Disability Clause

Our policy includes the above clause which states that if an Accident or Sickness is proven to have been aggravated by a prior disability then the claim amount paid will be reduced by the amount which the prior disability is deemed to have contributed.

Policies that do not have this clause would not pay the claim at all.

An example of this would be where a player suffers an Injury and a Medical Examiner finds that 15% was because of a prior disability connected to the Injury that ended the player's career. Our Insurers would therefore pay 85% of the sum insured.

Additional Benefits at NO extra cost

i)	Retraining Benefit	£ 5,000
ii)	Home Invasion Benefit	£ 2,500
iii)	Child Abduction Benefit	£ 2,500
iv)	Car Jacking Benefit	£ 2,500
v)	Coma Benefit	£ 250 per week to maximum of 52 weeks
vi)	Loss of Speech	£ 2,500
vii)	Loss of Hearing	£ 2,500
viii)	Funeral Expenses	£ 2,500
ix)	Hijack	£ 250 for each 24 hour period

Medical Underwriting

Our approach to the medical underwriting for all policies is taken extremely seriously. We strive to keep any medical exclusions to an absolute minimum however in each case we would automatically review these when the policy is renewed. We have also had personal medical exclusions reviewed and subsequently removed during the policy term.

If any provision of this clause is found by any court or administrative body of competent jurisdiction to be invalid or unenforceable, such invalidity or unenforceability will not affect the other provisions of this clause which will remain in full force and effect.

Where the premium is to be paid through a London Market Bureau, payment to Underwriters will be deemed to occur on the day of delivery of a premium advice note to the Bureau.

INSURERS SEVERAL LIABILITY CLAUSE

The liability of an insurer under this contract is several and not joint with other insurers party to this contract. A insurer is liable only for the proportion of liability it has underwritten. An insurer is not jointly liable for the proportion of liability underwritten by any other insurer. Nor is an insurer otherwise responsible for any liability of any other insurer that may underwrite this contract.

The proportion of liability under this contract underwritten by an insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown in this contract.

In the case of a Lloyd's syndicate, each member of the syndicate (rather than the syndicate itself) is an insurer. Each member has underwritten a proportion of the total shown for the syndicate (that total itself being the total of the proportions underwritten by all the members of the syndicate taken together). The liability of each member of the syndicate is several and not joint with other members. A member is liable only for that member's proportion. A member is not jointly liable for any other member's proportion. Nor is any member otherwise responsible for any liability of any other insurer that may underwrite this contract. The business address of each member is Lloyd's, One Lime Street, London EC3M 7HA. The identity of each member of a Lloyd's syndicate and their respective proportion may be obtained by writing to Market Services, Lloyd's, at the above address.

Although reference is made at various points in this clause to "this contract" in the singular, where the circumstances so require this should be read as a reference to contracts in the plural.
